The public KS-CPOST Commission meeting was called to order on October 16, 2013 at 9:40 am by Chairman John Whitmer with a roll call of commissioners in attendance as listed above. Upon motion by Commissioner Jones and second by Commissioner Garcia the minutes of the May 22, 2013 meeting were approved unanimously with correct spelling of Dave Warry's last name.

**KS-CPOST Report**

Meeting packets with information which supported many of the agenda items were provided for everyone in attendance. Executive Director Steed began his report with a review of KS-CPOST budget for FY 2014. A budget surplus has accumulated from prior years and it is earmarked for replacement of FileMaker. He summarized the Municipal Reimbursement report which showed the training reimbursement funds dispersed to 14 municipal law enforcement departments that have their own academy.

Director Steed reviewed Quick Facts of Kansas Law Enforcement agencies; Central Registry Statistics and Training Hours reported to Registry.

Eric Williams, Counsel for KS-CPOST provided an update on the investigation and prosecution side of KS-CPOST activities. He included statistics of actions that have been taken on behalf of law enforcement officers that violated the standards.

Directory Steed discussed the issues and challenges of FileMaker facing the agency. Investigation has begun to explore and evaluate possible replacement systems. The decision will be made in conjunction with the Kansas Law Enforcement Training Center as it is a shared system.

An Integrity Bulletin will be instituted for periodic distribution by KS-CPOST. Administrators and officers will find it helpful to see how K.A.R.'s and statutes are applied.

Plans are being made to issue wallet cards to each certified law enforcement officer in the state of Kansas with their certification number.

Plans are being made to teach the On-Line Data Entry Class as an online class. This would make the class more available to agencies across the state.

Chairman Whitmer proposed a 10 minute break before hearing the KLETC report.

#### **KLETC Report**

Chairman Whitmer reconvened the meeting at 11:40 pm. Director Ed Pavey of the Kansas Law Enforcement Training Center presented a report on KLETC which included financial review, staffing changes, online training, and a new training grant.

It was announced there would be short meeting of the Municipal Reimbursement Committee after the Commission meeting.

Upon motion by Commissioner Keller, seconded by Commissioner Jones the meeting was adjourned by unanimous vote at 12:20 pm.
